

And Exotic Pet Expo

HYDRO

Each Booth is provided with 400 watts of electricity during the operating hours of the Expo. These hours are inclusive of September 18 from 6 am to 9 pm and Sunday the 19th from 6 am to 4 pm.

If you require an individual Hydro drop which will give your booth 1200 watts this can be arranged for a fee charged to the CRBE by the facility in-house hydro provider. This has to be arranged with us by August 30th. Please fill out the form below and fax it to (905) 279 5599 to confirm your hydro requirements.

Hydro cannot be arranged during setup. If you are using more then 400 watts during the setup it will trip the breaker. There is a few charged to the CRBE to re-set any breaker due to power overage and or defective hydro units. Please make sure all of your electrical devices have no shortages. Any charges to the CRBE for a vendor tripping a breaker will be charged back to the vendor.

I _____ representing _____ understand the Hydro costs and associated terms. I understand the that any charges charged to the CRBE that are due to my over use of hydro (exceeding 400 watts) or faulty electrical equipment I am financially responsible for.
